

CORINTHIAN SAILING FOUNDATION

JUNIOR SAILING SCHOLARSHIP APPLICATION

**Corinthian Sailing Foundation, Inc.
One Nahant Street, P.O. Box 401
Marblehead, Massachusetts 01945**

Mission

The mission of the Corinthian Sailing Foundation is to promote national and international amateur sailing, competition, and maritime education by encouraging an interest in sailing education and competition and the maritime arts and sciences, especially among youths in the Commonwealth of Massachusetts.

The Foundation supports this mission by providing financial support to qualifying organizations and programs that provide training activities, outreach programs, sailing equipment, facilities or education, and by encouraging participation in local, national, or international sailing and other competitions and activities.

Scholarship Program

In furtherance of that Mission, the Foundation offers a Scholarship Program in connection with the Corinthian Yacht Club Junior Sailing Program. Through this program, the Foundation offers one (1) full scholarship for each junior sailing instructional session offered by the Corinthian Yacht Club. The Scholarship covers tuition only.

The Scholarship Program is design to provide a student who might otherwise be unable to experience the excitement and rewards of learning to sail with that opportunity. The Scholarship Program is open to any child otherwise fully qualified to participate in the Corinthian Yacht Club Junior Sailing Program. Membership in the Corinthian Yacht Club is not a prerequisite.

For more information on the Corinthian Yacht Club Junior Sailing Program, please contact Corinthian Yacht Club or go to www.corinthianyc.org.
